Dear Parent or Guardian:

State legislation authorizes the loan of textbooks and instructional materials by the Secretary of Education to children enrolled in Kindergarten through Grade 12 in nonpublic schools. Our school is now in the process of requesting the specific textbooks and materials to be loaned to your child(ren).

It is required, however, that a parent of each child attending the nonpublic school individually requests a loan of textbooks and instructional materials. Please sign the individual request form below, date it, and return it to school.

Thank you for your continued assistance and cooperation.

Very truly yours,

Dawn Parker
Principal
